

### **MISSION STATEMENT**

Etowah Water and Sewer Authority's mission is the responsible and ethical stewardship of the resources we manage through providing the highest quality water, customer service, and treatment of wastewater. We resolve to seek better and more efficient ways to improve service and the quality of life in Dawson County.

### **VISION STATEMENT**

Etowah Water and Sewer Authority's vision is to improve customer service, provide reliable and dependable water and wastewater services, and support the infrastructure needs required for economic development and growth while protecting the environment.

**ADOPTED 2/11/2008**
